Explanation of Responses:

1. An administrative error was made in the calculation of the number of shares required to be disposed of by the Reporting Person to pay the individual minimum statutory tax withholding obligation arising in connection with the Reporting Person's receipt of shares of common stock of the Company pursuant to equity incentive awards held by the reporting person. As a result of the administrative error, the number of shares disposed of was reported as 11,267 and should have been 11,494 and the number of shares acquired was reported as 22,067 and should have been 21,840 as reported on this Form 4/A.
